

The Perpetrators of the Great Falling Away and the Dilution of the Church.

How is it possible that we make such fatal mistakes by following certain people and think we are still in right standing with God!? We must have been misled in some or the other way and our discernment have deteriorated if we ever had discernment! We have moved from using Scripture as our basis for discernment to some other way of getting to the Status Quo in the Church. This pertaining to the Calvinistic as well as the Pentecostal and Charismatic sides of the theological spectrum.

The Calvinistic presupposition that the Gifts of the Spirit have ended with the Acts Church has cost us dearly when you look at the history of our beloved country. This of course contradictory to Scripture. When you look at what the other side of the theological spectrum has done with the Gifts, contrary to Scripture it might be understandable to some extent!

The Gifts of the Spirit have not ended but it must be practised very conservatively and in accordance with Scripture. Stating that it doesn't exist contradicts Scripture and to say that it has to be practised in the way that the most Charismatic and Pentecostals do, also contradicts Scripture.

Thus we have to use discernment with exegesis of Scripture and be careful whom we follow. Sound exegesis comes from serious Bible study, knowledge of the Word of God and application of principles used by The Lord Himself and the disciples when dealing with Scripture.

If you listen to people who don't go about this with the necessary discernment they could lead you down the road to Babylon. The one side of the spectrum doesn't see it because they think they cannot be deceived because they are the elect and the other side doesn't care because they are on such a high.

The question still being, what will we do at the end of this? Will we repent and listen to God for a change and really apply the mind in studying The Word of God and then have the courage to do what He says? This for our and our family's sakes!! Or will we end up in Babylon.

**Revelation 18:4 I heard another voice from heaven, saying,
"Come out of her, my people, so that you will not participate in
her sins and receive of her plagues;**

We have a choice, other than the Calvinistic presupposition about the non existence of the free will!! Let the following not be true of us!

**Revelation 3:13 'He who has an ear, let him hear what the Spirit
says to the churches.'**

**Revelation 3:14 "To the angel of the church in Laodicea write:
The Amen, the faithful and true Witness, the Beginning of the
creation of God, says this:**

**Revelation 3:15 'I know your deeds, that you are neither cold nor
hot; I wish that you were cold or hot.**

**Revelation 3:16 'So because you are lukewarm, and neither hot
nor cold, I will spit you out of My mouth.**

**Revelation 3:17 'Because you say, "I am rich, and have become
wealthy, and have need of nothing," and you do not know that
you are wretched and miserable and poor and blind and naked,**

**Revelation 3:18 I advise you to buy from Me gold refined by fire
so that you may become rich, and white garments so that you
may clothe yourself, and *that* the shame of your nakedness will
not be revealed; and eye salve to anoint your eyes so that you
may see.**
